Put your mind at ease knowing you've done your part to maintain a safer vehicle. Your [Model Year1] [MAKE1] [MODEL1] is affected by the urgent Driver Side Airbag Inflator Safety Recall, and it's important to contact your dealer to schedule your **FREE** safety recall repair.

Why your vehicle needs this **FREE** recall repair

In these vehicles, the front-driver airbag inflator may contain a supplier manufacturing defect that may result in inflator rupture during deployment. An inflator rupture may cause metal fragments to pass through the airbag and into the vehicle interior, which may result in injury or death to vehicle occupants.

Scheduling your repair is quick and easy

Please contact a dealer to schedule your **FREE** recall repair as soon as possible. You can schedule your repair at any of our 4,100+ Chevrolet, Buick, GMC or Cadillac dealerships. To locate a dealer, call 1-866-467-9700 or visit experience.gm.com/certified-service/locate-schedule-service.

Visit updateinfo.gm.com and enter ID code [PIN] to update your information for this recall.

Using your smart device, scan this QR code or visit experience.gm.com/certified-service/locate-schedule-service to schedule your **FREE** safety recall repair.

Le enviamos este aviso porque el vehículo o los vehículos registrados a su nombre están incluidos en el retiro urgente por seguridad de las bolsas de aire del conductor. En estos vehículos, el inflador de la bolsa de aire del conductor delantero puede contener un defecto de fabricación del proveedor que puede resultar en la ruptura del inflador durante el despliegue, lo que hace que los fragmentos de metal pasen a través de la bolsa de aire hacia el interior del vehículo, lo que puede provocar lesiones o la muerte de los ocupantes del vehículo. Para programar su reparación **GRATUITA** de retiro por seguridad, visite experience.gm.com/certified-service/locate-schedule-service o llame al 1-866-467-9700.
