

### Ford Mustang Maverick® Recall In-App Message

A Message About a Ford Maverick® Pickup Recall DELETE

Nov 1, 2022 at 2:37 PM

---

Each of us wants to help keep our loved ones protected. So, please know how sorry I am about the Safety Compliance Recall Notice that you received.

When it comes to your well-being, nothing short of resolving this issue quickly and expertly will do. That's my personal commitment to you.

As you read this, our team is working closely with suppliers to produce the new side-curtain airbag systems for both sides of the Maverick truck, which should be available in early 2023. The replacements and service will be offered at no charge. As soon as your local Ford Dealer is ready to take appointments, we'll reach out to you.

If you have any questions about Maverick safety recall 22C20, please contact us at 1-866-436-7332. A Ford Recall team member will be happy to assist you.

In the face of a disappointment, right thinking and right actions need to lead the way. We're focused on putting you first as we resolve this. Thank you for choosing Maverick and for being part of our Ford Family.

Sincerely,

Andrew Frick  
Vice President, Sales, Distribution and Trucks
