[FName][Business_Name],

Put your mind at ease knowing you've done your part to maintain a safer vehicle. Your [Model Year1] [MAKE1] [MODEL1] is affected by the urgent Hood Striker Corrosion Safety Recall, and it's important to contact your dealer to schedule your **FREE** safety recall repair.

Why your vehicle needs this **FREE** recall repair

In these vehicles, the secondary hood latch lever may prematurely corrode at the pivot. If severely corroded, the secondary latch striker may become stuck out of position and fail to properly engage. If the striker becomes stuck out of position and both the primary and secondary hood latch fail to engage, the vehicle's hood may open unexpectedly, increasing the risk of a crash.

Scheduling your repair is quick and easy

Any Chevrolet dealer can complete the Hood Striker Corrosion recall repair for **FREE**. If you are an EV owner, please contact a Chevrolet EV Certified Dealer at **1-833-382-4389** to complete this **FREE** recall repair.

Get more information

For more information about this urgent Hood Striker Corrosion Safety Recall, enter [VIN1] at chevrolet.com/dealer-locator.

No longer own this vehicle?

Visit updateinfo.gm.com and enter ID code [PIN] to update your information for this recall.

Le enviamos este aviso porque el vehículo o los vehículos registrados a su nombre están incluidos en el retiro urgente por seguridad del Hood Striker. Sin esta reparación **GRATUITA** de retiro de seguridad, la palanca del pestillo del capó secundario puede corroerse prematuramente en el pivote y quedar atascada fuera de posición y no encajar correctamente. Si esto ocurre, el capó del vehículo puede abrirse inesperadamente, lo que aumenta el riesgo de un choque. Para programar su reparación **GRATUITA** de retiro por seguridad, visite chevrolet.com/dealer-locator. Si eres propietario de un vehículo eléctrico, comunícate con un concesionario certificado de Chevrolet EV al **1-833-382-4389**.
