## **IMPORTANT: Safety Recall**

### **SAFETY – RECALL – 22005 (22V-682)**

Dear Final Stage Manufacturer,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Spartan Fire, LLC has decided that a defect which relates to motor vehicle safety exists in certain model year 2022, Gladiator and MetroStar model emergency response chassis cabs.

#### **What is the defect?**

On the affected vehicles, the front wheel park brake may be plumbed incorrectly.

If this condition exists, the front wheel park brake will not be applied, resulting in inadvertent vehicle movement and possible injury without warning.

#### **Corrective Action:**

Spartan dealers will inspect front wheel park brake plumbing to determine if affected and replumb, if necessary.

Estimated time for the remedy may be up to 1.5 hours for inspection and replumbing.

#### **What should the final stage manufacturer do?**

On the attached document, you will find a list of chassis cabs Spartan has sold to you. If you agree the identified chassis, contains a safety defect, you are reminded of your responsibility to notify the National Highway Traffic Safety Administration (NHTSA) in accordance with 49CFR573. **It is a violation of federal regulation to sell a vehicle subject to a safety recall without the recall first being remedied.**

Contact a Spartan Fire, LLC Customer Product Support group to have the work scheduled and completed at no charge to you or our mutual customer.

#### **What will Spartan Fire, LLC do?**

Spartan Fire, LLC will identify work with you and affected owners to identify a service center near you and schedule the work to be completed.

For questions regarding warranty claims, please call **1-800-867-6478**.

We regret any inconvenience this situation may cause. Spartan is committed to customer safety and satisfaction.

Sincerely,

*Spartan Fire, LLC*
