Dear Mr. Buonomo:

This letter serves to acknowledge Evenflo Company, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

EVENFLO/TITAN 65/9999

**Mfr's Report Date:** November 6, 2023

**NHTSA Campaign Number:** 23C-005

**Components:**

CHILD SEAT  
EQUIPMENT:OTHER:LABELS

**Potential Number of Units Affected:** 1

**Problem Description:**

Evenflo Company, Inc. (Evenflo) is recalling one Titan 65 child seat. The child seat is missing the warning labels. As such, this child seat fails to comply with the requirements of Federal Motor Vehicle Safety Standard number 213, "Child Restraint Systems."

**Consequence:**

A child seat missing warning labels will not inform the owner of critical safety information, which can increase the risk of injury for the child seat occupant.

**Remedy:**

The child seat has been returned to the manufacturer to be destroyed, and therefore, no owner notification letter will be sent. Owners may contact Evenflo customer service at 1-800-233-5921.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

**Please ensure the following requirements are met:**

An identification and description of the risk to motor vehicle safety reasonably related to the defect or noncompliance (49 CFR 573.6 (c)(5)). All filings should state an increased risk of either a crash, injury or fire.

**AMENDED 573 REQUIRED.**

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell a child seat that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
