Subject: Incorrect Seating Information on Label/FMVSS 120

Dear Mr. Becker:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

EAST TO WEST/ENTRADA/2022

Mfr's Report Date: January 13, 2023

NHTSA Campaign Number: 23V-004

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 36

Problem Description:

Forest River, Inc. (Forest River) is recalling certain 2022 East to West Entrada 24FM Class C Motorhomes. The certification label incorrectly states there are 6 belted seating positions, when there are only 4 belted seating positions. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 120, "Wheels and Rims-Other than Passenger Cars."

Consequence:

Incorrect belted seating position information may result in unbelted passengers, increasing the risk of injury in a crash.

Remedy:

Dealers will replace the Federal certification label, free of charge. Owner notification letters are expected to be mailed February 22, 2023. Owners may contact Forest River customer service at 1-574-264-6664. Forest River's number for this recall is 504-1591.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Forest River, Inc.'s contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
Office of Defects Investigation
