Subject: Electric Motors May Shut Down

Dear Ms. Webb:

This letter serves to acknowledge Lucid USA, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

LUCID/AIR/2022-2023

Mfr's Report Date: February 22, 2023

NHTSA Campaign Number: 23V-110

Components:

ELECTRICAL SYSTEM:PROPULSION SYSTEM:FUSES, RELAYS, CONTACTS, AND SHUNTS

Potential Number of Units Affected: 637

Problem Description:

Lucid USA, Inc. (Lucid) is recalling certain 2022-2023 Air vehicles. The electrically activated contact switches that transfer energy to the drive motors, may unexpectedly open, cutting off power to the electric motors.

Consequence:

Power loss will shut down electric motors, causing a loss of drive power and increasing the risk of a crash.

Remedy:

Lucid Service Centers will update the vehicle software and replace the contactor switches, as necessary, free of charge. Owner notification letters are expected to be mailed April 21, 2023. Owners may contact Lucid customer service at 1-888-995-8243. Lucid's number for this recall is SR-23-01-0.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Lucid USA, Inc.'s contact for this recall will be Sarah Shiver who may be reached by email at sarah.shiver@dot.gov. We look forward to working with you.

Sincerely,
