Mfr's Report Date: March 20, 2023

NHTSA Campaign Number: 23V-183

Components:

EXTERIOR LIGHTING:HAZARD FLASHING WARNING LIGHTS

Potential Number of Units Affected: 26

Problem Description:

Prevost Car (US) Inc. (Prevost Car) is recalling certain 2022-2023 H3-45 VIP and 2023 H3-45 vehicles. When activating the hazard warning lights, the turn signal lights may not flash simultaneously if the ignition is off. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 108, "Lamps, Reflective Devices, and Associated Equipment."

Consequence:

Hazard lights that do not flash simultaneously may confuse other drivers, increasing the risk of a crash.

Remedy:

Prevost Car will update the hazard warning lights software, free of charge. Owner notification letters are expected to be mailed May 9, 2023. Owners may contact Prevost Car customer service at 1-866-870-2046.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
