June 5, 2023

Mr. Mike Jones
Wabash National Corporation
1000 Sagamore Pkwy S
Lafayette, IN 47905

NEF-107MR
23V-383

Subject: Improperly Welded King Pin

Dear Mr. Jones:

This letter serves to acknowledge Wabash National Corporation's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

WABASH NATIONAL/DRY VAN/2024

Mfr's Report Date: May 30, 2023

NHTSA Campaign Number: 23V-383

Components:

TRAILER HITCHES

Potential Number of Units Affected: 40

Problem Description:

Wabash National Corporation (Wabash) is recalling certain 2024 DVDBHPC and DVCVHPC dry van trailers. The king pin was not welded properly, which can result in the king pin detaching within the upper coupler.

Consequence:

Unintentional movement of a detached king pin may cause a loss of trailer control, increasing the risk of a crash.

Remedy:

Dealers will replace the upper coupler assembly, free of charge. Owner notification letters are expected to be mailed July 28, 2023. Owners may contact Wabash customer service at 1-765-771-5404.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Wabash National Corporation's contact for this recall will be Michelle Rice who may be reached by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
Office of Defects Investigation
Enforcement
