**Subject:** ESC Light May Not Indicate Malfunction/FMVSS 126

Dear Shari Wert:

This letter serves to acknowledge Mobility Ventures LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

MOBILITY VENTURES/MV-1/2015-2016

**Mfr's Report Date:** June 30, 2023

**NHTSA Campaign Number:** 23V-461

**Components:**

ELECTRONIC STABILITY CONTROL

**Potential Number of Units Affected:** 525

**Problem Description:**

Mobility Ventures, LLC (Mobility Ventures) is recalling certain 2015-2016 MV1 vehicles. The ESC malfunction indicator warning light may not illuminate to indicate an issue with the Electronic Stability Control System. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 126, "Electronic Stability Control Systems."

**Consequence:**

An ESC malfunction indicator light that fails to illuminate during an electronic stability control event can increase the risk of a crash.

**Remedy:**

Dealers will update the electronic brake control module (EBCM) software, free of charge. Owner notification letters are expected to be mailed August 28, 2023. Owners may contact Mobility Ventures customer service at 1-877-681-3678.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

Please ensure the following requirements are met:

Per the requirements of 49 USC 30119, please provide the part number, name and description of the component or components involved in this recall. This information should be provided in an amended 573 in the "Involved Components" section.

**AMENDED 573 REQUIRED.**

As required in Part 573.6, please amend the chronology to explain why the population in this recall is significantly reduced from the original Part 573 report filed. Please include detailed information about the scope identification for this recall in the chronology.

**AMENDED 573 REQUIRED.**

The information in your report suggests that Mobility Ventures, LLC may have been aware of this issue more than five business days before filing a report with NHTSA. Please be reminded that under Federal law, this agency is to be notified of all safety defect and/or noncompliance decisions within five business days. 49 CFR 573.6 Significant civil penalties can be assessed for this violation.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

The information in your report suggests that (mfr) may have been aware of this issue more than five business days before filing a report with NHTSA. Please be reminded that under Federal law, this agency is to be notified of all safety defect and/or noncompliance decisions within five business days. 49 CFR 573.6 Significant civil penalties can be assessed for this violation.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Mobility Ventures LLC's contact for this recall will be Michelle Rice who may be reached by email at [michelle.rice@dot.gov](mailto:michelle.rice@dot.gov). We look forward to working with you.

Sincerely,

Alex Ansley  
Chief, Recall Management Division  
Office of Defects Investigation
