Subject: Seat Belt Mounting Bracket May Fail/FMVSS 210

Dear Mr. Newcomer:

This letter serves to acknowledge Newmar Corporation's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

NEWMAR/BAY STAR/2019-2023
NEWMAR/BAY STAR SPORT/2020-2023
NEWMAR/SUPER STAR/2022-2023

Mfr's Report Date: July 7, 2023

NHTSA Campaign Number: 23V-469

Components:

SEAT BELTS:REAR/OTHER:ANCHORAGE

Potential Number of Units Affected: 368

Problem Description:

Newmar Corporation (Newmar) is recalling certain 2019-2023 Bay Star, 2020-2023 Bay Star Sport, and 2022-2023 Super Star motorhomes. The seat belt brackets for the dinette seat belts were modified to avoid interference with the vehicle slide-out rollers in the floor. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard numbers 210, "Seat belt Assembly Anchorages" and 207, "Seating Systems."

Consequence:

Modified seat belt mounting brackets can fail to properly restrain an occupant in a crash, increasing the risk of injury.

Remedy:

Dealers will replace the seat belt mounting brackets, free of charge. Owner notification letters are expected to be mailed September 5, 2023. Owners may contact Newmar customer service at 1-800-731-8300. Newmar's number for this recall is 604RSB.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Newmar Corporation's contact for this recall will be Michelle Rice who may be reached by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
