Dear Ms. Webb:

This letter serves to acknowledge Lucid USA, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

LUCID/AIR/2022-2023

Mfr's Report Date: July 27, 2023

NHTSA Campaign Number: 23V-521

Components:

VISIBILITY/WIPER

Potential Number of Units Affected: 5,523

Problem Description:

Lucid USA, Inc. (Lucid) is recalling certain 2022-2023 Air vehicles. The wiper arm nuts may loosen, causing the windshield wipers to fail. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 104, "Windshield Wiping and Washing Systems."

Consequence:

Inoperative windshield wipers can reduce visibility, increasing the risk of a crash.

Remedy:

Lucid Service Centers will inspect, tighten the wiper arm nuts, and replace damaged parts as necessary, free of charge. Owner notification letters are expected to be mailed September 25, 2023. Owners may contact Lucid customer service at 1-888-995-8243. Lucid's number for this recall is SR-23-02-0.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
