**Description of Defect :**

Description of the Defect : According to the Recall Notice - 23E008 - received from Lippert Components: "The defect is an attachment point within the entry door latch supplied to Lippert for installation into specific series of RV Entry Doors. A specific attachment point was inadvertently weakened when the vendor implemented an improvement to create a more secure attachment groove for the retaining ring in the handle design of the latch."

FMVSS 1 : NR

FMVSS 2 : NR

Description of the Safety Risk : According to the Recall Notice - 23E008 - received from Lippert Components: "A defective entry door latch would not allow entry or exit via the door."

Description of the Cause : According to the Recall Notice - 23E008 - received from Lippert Components: Supplier changed the handle design, attempting to make a more secure attachment groove for the retaining ring, but inadvertently created a weakened attachment point.

Identification of Any Warning that can Occur : According to the Recall Notice - 23E008 - received from Lippert Components: No warnings will occur.

**Involved Components :**

Component Name 1 : Global LK702

Component Description : Entry door latch

Component Part Number : 2021023988

**Supplier Identification :****Component Manufacturer**

Name : Lippert Components Inc

Address : PO BOX 2888

Elkhart Indiana 46515

Country : United States

**Chronology :**

On February 10, 2023, Lippert Components requested a meeting with Forest River's Office of Corporate Compliance ("OCC").

On February 13, 2023, OCC and Lippert met. Lippert supplied OCC with the shipping history and which manufacturing plants received the subject entry doors. The manufacturing plant provided OCC with the make and model(s) that used the subject entry doors.

On February 28, 2023, Forest Rivers Office of Corporate Compliance received notice of recall 23E008 via email from Lippert Components. On the same day Forest River was able to identify vehicles in the scope of the recall using purchasing records.

On March 3, 2023, OCC will notify Forest Rivers Corporate recall committee of this Equipment Pass Through Recall

A-1 On March 2, 2023, Lippert Components communicated to OCC that Lippert Components found an additional door that was sold to Forest River. Using the Purchase Order Number provided by Lippert Components, Forest River was able to locate the door that was used to replace a door in a MY 2013 Cross Country Class A Motorhome vehicle that was at the factory for service."

### Description of Remedy :

Description of Remedy Program : Forest River will provide all parts and labor free of charge to Consumers and Dealers. An authorized Forest River Dealer or Service Center will need to perform the remedy. As per Lipperts' remedy instructions, the latch will be inspected and replaced as necessary.

What is the Forest River Customer Service Phone Number? (574) 825-8212

What is the Lippert Customer Service Phone Number? (432) 547-7378

If you have already paid for a repair that is within the scope of this defect under recall, you still need to have this recall inspected and/or performed to ensure the correct parts and procedures were utilized. Additionally, you may be eligible for a refund of previously paid repairs. Refunds will only be provided for within the scope of this defect under recall.

Please send the service invoice to the following address:

Coachmen Class A  
Forest River, Inc.  
Attn: WARRANTY MANAGER  
PO Box 30
