Component Name 1 : Global LK702

Component Description : Entry door latch

Component Part Number : 2021023988

Supplier Identification :

Component Manufacturer

Name : Lippert

Address : PO box 2888

Elkhart Indiana 46515

Country : United States

Chronology :

Lippert determined an issue which relates to motor vehicle safety may exist in certain entry doors for motorized RV product built with Global Link Motorized Rotary Latch MRL-41210-2006.

Lippert informed Renegade RV and Rev Recreation Group on 2/23/2023 of their decision to file equipment recall 23E-008 with NHTSA. Renegade and REV Recreation Group began an investigation into the units affected and compiled a list of potentially affected vehicles.

Description of Remedy :

Description of Remedy Program : Inspect the involved component as outlined on the attached instructions and submit a claim documenting the inspection and verification of no issue found for payment of the inspection labor charges. If an issue is found, you or your dealer must complete the outlined repair for payment of the labor charges. Lippert's Customer Service department may be reached via email at recall@lci1.com or via phone at 574-538-4514 if there are any questions.

How Remedy Component Differs from Recalled Component : The complete door lock has a redesigned part if replaced distinguished by page 3 in the Lippert inspection instructions.

Identify How/When Recall Condition was Corrected in Production : Inspection done on vehicles with suspect parts installed and repairs made per the Lippert repair instructions.

Recall Schedule :

Description of Recall Schedule : Renegade RV will contact the dealers and customers within 45 days.
