

# SAFETY RECALL 19A

## 2021 MODEL YEAR ONLY

PLEASE REVIEW THIS IMPORTANT MESSAGE REGARDING  
SAFETY RECALL 19A AND THE 2021 MODEL YEAR POPULATION

### 2021 MY JL and JT

Please be aware that 19A Phase 5, which ONLY affects 2021 MY, has been temporarily suspended. Safety recall 19A for 2018-2020 and 2023 JL, and 2020 and 2023 JT vehicles are NOT impacted.

The Technical Service Operations team is working to remove the 2021 MY software files from wiTECH and a revised version of the dealer instructions will be published (ETA 6/27/24).

For 2021 MY vehicles that have already been updated for the 19A safety recall, please utilize available alternate transportation.

Updates will be provided as soon as they are available. Your attention to this important message is greatly appreciated!
