SAFETY RECALL - STOP SALE NOTIFICATION

Forest River has decided that a safety defect exists in certain 2023 East to West Della Terra and Silver Lake Travel Trailer Recreational Vehicles. Forest River is recalling the defect model(s) to ensure the safety of our future retail consumers and your dealership. Forest River apologizes for any inconvenience this action may cause your dealership; however, safety continued satisfaction and our commitment to building great products are of the utmost importance to Forest River.

DEFECT/NONCOMPLIANCE:

The A-Frame (drawbars) and safety chains ("Drawbar Assembly") may not meet the Gross Vehicle Weight Rating and could potentially break.

EVALUATION OF RISK:

The Drawbar Assembly has an elevated risk of fracture and full failure while traveling. Should the Drawbar Assembly fracture or fail, the trailer has an elevated increase to cause a crash.

SERVICE PROCEDURE:

The remedy is currently being developed. A second notification will be sent to alert you of the remedy.
