In late December, each dealer which had units retailed through them which did not have Safety Recall No. 23V-256 (Recall Remedy Service Bulletin No.152-01 - Water Tank Strap Tie Rod Inspection) completed were emailed a list of open units. The email was sent by Scott Tenbrink, [stenbrink@superproducts.com](mailto:stenbrink@superproducts.com). Please review and coordinate inspection and any necessary repair with your customers.
