DCSnet Message  
**Urgent**

Subject: **Update: 23V-337 MINI FRM Recall**

We are currently making sure we have the appropriate and necessary parts to perform the recall repairs based on inspecting some affected vehicles. **At this time, we do not need any more TSARA cases.** Thank you to those of you who submitted cases. When we are ready to release the recall, the SIB will be updated and posted.

Sincerely,  
Technical Service
