

## **STOP SALE AND DELIVERY – SAFETY RECALL**

**Date: August 11, 2023**

**Subject: Stop Sale and Delivery for Upcoming Safety Recall**

**Affected Models:**

- Certain 2023-2024MY N-Series Vehicles Equipped with 6.6L (L8T) Gasoline Engines

**To: Isuzu Dealer Principal, Sales Manager and Service Manager**

Effective immediately, stop the sale and delivery of affected vehicles in your inventory, even if a customer has purchased an affected vehicle. We are in the process of taking steps to address a safety related defect in these vehicles. **Federal law prohibits the sale and delivery to customers of any vehicle containing a safety defect. You must not deliver any covered vehicles to customers until after the vehicle has been remedied.**

**WHAT IS THE CONDITION?**

Isuzu Motors Limited has decided that a defect, which relates to motor vehicle safety, exists in certain 2023-2024MY N-Series vehicles equipped with 6.6L (L8T) gasoline engines. In the affected vehicles, an incorrectly sized wire seal was selected for the 2 externally mounted engine ignition coil pack fuse holders. This results in the potential for water intrusion into the fuse holders and eventual corrosion or failure of the fuses.

If the ignition coil pack fuses corrode or fail, one or more of the following events may occur, in each case **increasing the risk of a crash**: (1) the Check Engine Malfunction Indicator Light (MIL) may illuminate and the engine may misfire and result in reduced power output and slower than normal acceleration; (2) the vehicle may derate and limit maximum vehicle speed to 5 MPH (power steering and power brake assist will still function normally); and (3) if you shut off the engine, it may stall when you try to start it and not restart.

**WHAT WE WILL DO**

We are preparing a new service procedure and procuring parts to repair these vehicles. You will receive another notice regarding owner notification and campaign bulletin release as soon as the schedule is available.

**WHAT YOU SHOULD DO**

Confirm the affected vehicles in dealer inventory, open a repair order referencing this Stop Sale and hold the vehicles until further notification is received.

We regret any inconvenience this action may cause you.

Sincerely,

Isuzu Commercial Truck of America, Inc.
