

New Safety Recall Advanced Communication – 84A

FCA US LLC (FCA US) has announced a safety recall on certain 2023 Model Year (JL) Jeep Wrangler vehicles equipped with a with a 33-inch diameter tire.

VINs identified as being involved in this campaign are currently live and searchable.
Stop sale is in effect for the above-identified vehicles.

Vehicles impacted by a stop sale are eligible for reimbursement allowance through the Recall Floorplan Reimbursement Policy (RFPRP), which can be requested upon recall claim submission.

IMPORTANT: Some of the involved vehicles may be in dealer new vehicle inventory. Federal law requires you to complete this recall service on these vehicles before retail delivery. Violation of this requirement by a dealer could result in a civil penalty of up to \$21,000 per vehicle. Involved vehicles can be determined by using the VIP inquiry process.

REASON FOR THIS SAFETY RECALL

The spare tire carrier on some of the above vehicles may have been built with an incorrect Center High Mount Stop Lamp (CHMSL) bracket assembly. A CHMSL that is partially obstructed may not have adequate conspicuity to other drivers to indicate the intention to slow or stop, which can cause a crash without prior warning.

Federal Motor Vehicle Safety Standard (FMVSS) No. 571.108 S6.1.3.1 requires that "Each lamp...must be securely mounted...and in a location where it complies with all applicable photometric requirements in S7.9.13 Photometry. Each high-mounted stop lamp must be designed to conform to the photometry requirements of Table XV...". Subject vehicles do not meet these photometry requirements.

SERVICE ACTION

FCA US will conduct a voluntary safety recall on all affected vehicles to replace the spare tire carrier assembly. The remedy for this condition is not currently available. Dealers will be notified of the launch of this safety recall by way of established communication methods. This recall is estimated to launch in 3rd Quarter of 2023.

We ask that you please take the time to ensure that your personnel are aware of this communication and are prepared to execute a customer friendly process for inquiries regarding involved vehicles.
