AUDI DEALER COMMUNICATION

Campaign Circular Revision – Safety Recall 93T7 / High Voltage Battery

This notice is for: All Dealer Personnel

Date: December 19, 2023

Revision Information: Updates have been made to the following sections:

- Claiming information
- Work instructions – including a new critical repair step with information on checking the testing setup after a failed leak test

Please take the time to ensure everyone in your dealership with campaign-related responsibilities has thoroughly reviewed the revised circular that has been published to ELSA and the Service References tool in Elsa2Go.

Please discard any paper copies you may have printed and ensure they are replaced with the most current version.

-END OF MESSAGE-

Ensure all dealer personnel are aware of this notice so they are able to address customer questions. Contact Warranty if you require additional assistance. Direct press inquiries to Audi Public Relations.
