Subject: **BMW Recall 23V-xxx: Front Passenger Knee Air Bag**

BMW AG has issued a Delivery Stop (effective August 24, 2023) on certain Model Year 2023-2024 BMW vehicles that were produced between June 12, 2023 and August 16, 2023.

As of September 5, 2023, this Delivery Stop has been upgraded to a Safety Recall.

The front passenger knee air bag may not have been produced according to specifications by the supplier. In rare cases, the air bag may not deploy exactly as intended in a crash, which could increase the risk of injury.

The revised Bulletin, Recall Notice and Q&A have been attached for further information.

Sincerely,
Technical Service
