Subject: **Update on BMW Delivery Stop Knee Air Bag**

STOP024994 Knee Air Bag (SIB 65 25 23) is being upgraded to a Safety Recall.

The VIN list has been updated (some removed, and some added). Please re-checked the status of your current inventory. Vehicles which are no longer affected (show no open Campaigns) may delivered.

The system should update and clear by tomorrow. Should you need to deliver a vehicle today, please use the RDR override function with any RO number and the date of retail.

If vehicles have any other open Campaigns, they must be completed prior to delivery to the customer.

The Bulletin will be updated when more information becomes available.

Sincerely,
Technical Service
