Description

An incorrect hitch label was installed.

An incorrect hitch label could lead to incorrect loading of the vehicle, increasing the risk of a crash.

Service action

Winnebago will conduct a voluntary safety recall to address incorrect hitch labels, however the remedy is not currently available. Dealers will be notified through established communication methods once a remedy is available.

In the interim, all systems in the coach can be functionally demonstrated.

We sincerely apologize for this inconvenience and want to assure you we are working diligently to remedy this situation.

Notice

It is a violation of Federal Law for a dealer to sell or lease any new vehicles in dealer inventory covered by this notification until the vehicle has been repaired.

Thank you for your continued partnership!
