Recall Campaign Initial Notification			October 13, 2023
Campaign No. :	NHTSA ID	Campaign Desc. :	Replace Child Seat Anchor Covers on the Second-Row Seats
TBA	23V677	23P2197638	
<p>This is to notify you of the new Recall Campaign to replace the child seat anchor covers on the second-row seats on 1 Model Year (“MY”) 2022 EQB (243 platform) vehicle. The recall campaign will be visible on the www.NHTSA.gov website and may generate questions from customers. Affected VINs will be flagged in VMI as “PENDING” on October 13, 2023.</p>			
Background			
Issue	<p>Mercedes-Benz AG (“MBAG”), the manufacturer of Mercedes-Benz vehicles, has determined that on one Model Year (“MY”) 2022 EQB (243 platform) vehicle, the symbol on the child seat anchor covers on the second-row seats might not meet current specifications. The functionality of the child seat anchor covers to attach to the rear seat cushion is ensured. However, certain requirements of FMVSS 225 might not be fulfilled.</p> <p>In the event the symbol on the child seat anchor covers is not according to FMVSS 225 specifications, a customer may incorrectly install the child seat in the vehicle. Incorrect installation of a child seat might increase the risk of injuries to occupants.</p>		
What We’re Doing	<p>MBUSA will conduct a voluntary recall. An authorized Mercedes-Benz dealer will replace the child seat anchor covers on the rear seats of the affected vehicle.</p>
