**PARTS AND SERVICE BULLETIN UPDATE**

Please be advised that as of today, August 9, 2024, parts for the 2014 RDX are now available in limited quantities through DPSPM request under Service Bulletin 24-030, *Safety Recall: 2014 RDX Fuel Pump Module Set/Assembly Replacement*.

As always, be sure to perform an iN VIN status inquiry for all vehicles passing through your dealership to determine eligibility for any open campaigns.
