

IMPORTANT SAFETY RECALL

This notice applies to your vehicles, [REDACTED]

June 20, 2023

VIA FIRST CLASS MAIL

[REDACTED]

Re: NHTSA Recall # 23E-039

Dear [REDACTED]

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

SEA Electric LLC (“SEA Electric”) has decided that a defect which relates to motor vehicle safety exists in the holding bracket of certain SEA Drive SD120A traction motor mounts for battery electric drivetrains used in converting certain Hino model 195 incomplete vehicles from diesel engine to battery electric vehicles. The traction motor mounts subject to this notice were manufactured between May 21, 2020, and April 30, 2023, with the following part number: **CC8D-2101**.

Traction motor mounts subject to this notice can experience a crack due to premature fatigue caused by vehicle vibration, which can propagate and become unable to stabilize and secure the traction motor. In that event, the traction motor could become separated from the vehicle, which could increase the risk of a crash or an injury without any prior warning.

Given this potential issue, SEA Electric is voluntarily recalling the subject traction motor mounts. At no charge to you, SEA Electric will replace all traction motor mounts. SEA will perform the replacement on-site at your location. Please contact SEA at 833-732-3532 to schedule your replacement. It will take approximately 5 hours to replace the traction motor mount.

The replacement traction motor mounts are immediately available.

Please also contact SEA Electric at 833-732-3532 if you have previously incurred costs to repair or replace your recalled traction motor mount because it experienced a crack or it became separated from your vehicle, as you may be eligible for reimbursement.

sea-electric.com

Should you have any questions, please call 833-732-3532. In the event you believe we have failed or are unable to provide the offered remedy without charge to you within sixty (60) days after you seek a recall remedy, you may so notify the Secretary of Transportation at the following address: 1200 New Jersey Avenue, SE, Washington, DC 20590, or phone NHTSA's Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153; or go to <http://www.safercar.gov>).

We regret this inconvenience. We at SEA Electric are committed to the highest standards of safety and product quality, and our interest is in your safety and satisfaction with your equipment. Please contact SEA Electric immediately for a free replacement of your traction motor mount. Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Steven M Uhrich', is written over a white background.
