Triple E Recreational Vehicles Recall CA#10253-1

NHTSA #23V002

This notice is sent to you in accordance with the requirements of the National Traffic & Motor Vehicle Safety Act. Triple E Recreational Vehicles has decided that a defect exists in certain 2021, 2022 & 2023 Unity U24IB & Unity U24TB motorhomes manufactured between June 17, 2020 and December 1, 2022

Description of Defect:

The battery disconnect switch, located at the entry door, the terminal posts in the fridge cabinet at the entry door, may contact the grounded metal fridge frame resulting in a short circuit. If the battery disconnect switch terminal posts would contact the metal fridge frame it would cause a short in the circuit and blow a fuse and possibly causing an increased risk of fire and injury.

To Have This Modification Performed:

We request your assistance to have this Safety issue corrected. Please have the rubber terminal post protective covers installed, included in this mailing. When the covers have been installed, complete the enclosed return form and email to recalls@tripleerv.com.

If you choose to have your selling dealer or a RV service center perform the recall it will be performed at no charge to you. The time needed to perform the recall is approximately 30 minutes. If you choose to have this Recall performed by a service center other than your dealer, prior authorization is required.

If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall.

For more information contact Triple E RV/Leisure Travel Vans at 1-877-992-9906 Customer Service / Warranty department or by e-mail recalls@tripleerv.com in the subject line "Recall CA#10253-1".
