IMPORTANT SAFETY RECALL
NHTSA Recall 23V-017 (Hino V2301)

February 2023

MY2023 Hino S5 on-road Light Duty Truck
ABS Recalibration
This notice applies to your vehicle, <VIN>

Dear Hino Truck Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Hino has determined that a defect, which relates to motor vehicle safety, exists in certain 2023 Hino S Series trucks produced after 6/1/2022 with 200" or 212" wheelbase factory modifications. You received this notice because our records, which are based primarily on state registration and title data, indicate that you are the current owner.

What is the Condition?

When the subject vehicles were modified to extend the frame, the Anti-lock Brake System (ABS) module was not recalibrated to account for the different inputs from the vehicle resulting from the stretched frame. Therefore, when driving in a curve, the Electronic Stability Control (ESC) system, working together with the ABS, may react prematurely or be delayed in reacting, therefore **increasing the risk of a crash.**

What will Hino do?

Your authorized Hino dealer will recalibrate the ABS Control Module with the correct wheelbase length. Please make an appointment with your authorized Hino Dealer to have the remedial work performed. This repair will be performed at **NO COST** to you.

What should you do?

This is an Important Safety Recall
Please contact any authorized Hino dealer to schedule an appointment to have the remedial work performed as soon as possible. This repair will take approximately 0.5 hour to complete.

You do not need an owner letter to have this recall completed; however, to assist the dealer in confirming vehicle eligibility, we request that you present this notice at the time of your service appointment.

If you would like to update your vehicle ownership or contact information, you may do so by contacting Hino Warranty at warranty@hino.com or by telephone 1-248-699-9390. You will need your full 17-digit Vehicle Identification Number (VIN) to update the new ownership or contact
