Dear <FirstName LastName,>

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Genesis has decided that a defect, which relates to motor vehicle safety exists in certain 2021 – 2023 model year G80, 2022 – 2023 model year GV70 and 2020 – 2023 model year GV80 vehicles. Genesis is initiating a safety recall to repair a condition involving the front seat belt pretensioners in these vehicles in the U.S. Your vehicle, with the VIN shown above is among the impacted vehicles.

You have received this notice because our records, which are based primarily on state registration and title data, indicate that you are the current owner.

What is the problem?

The front seat belt pretensioners may deploy abnormally in the subject vehicles, causing the MGG (Micro Gas Generator) to detach from the assembly. An abnormal pyrotechnic pretensioner deployment could cause the pretensioner to explode, and project metal fragments into the vehicle occupant compartment, which may result in injury to vehicle occupants.

What will Genesis do?

Your Genesis retailer will install front seat belt pretensioner anti-separation protection caps. This procedure will be performed **NO CHARGE** to you.

What should you do?

Please contact your nearest Genesis retailer to schedule the recall repair as soon as possible. The actual time required to perform the repair is less than one hour; however, your vehicle may be needed longer. To locate your nearest Genesis dealer please visit: www.genesis.com/us/en/genesis-retailer-location.html or scan this QR code with your smartphone camera for quick access.

We recommend scheduling a service appointment to minimize inconvenience. You may also arrange in advance for a Service Courtesy vehicle using Service Valet should you require alternate transportation during the service period.
