Bristol, IN 46507

March 21, 2023

Attention: **Renegade Owner**

This notice pertains to Vin. #

Unit #

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Renegade RV has decided that a defect, which relates to motor vehicle safety, exists in certain 2022-2023 Classics, Explorer, and XL's.

What is the issue: Lippert has conducted a thorough investigation and determined an issue which relates to motor vehicle safety may exist in certain entry doors for motorized RV products built with Global Link Motorized Rotary Latch MRL-41210-2006. There is the possibility the latch may malfunction and pose an issue with exit from the motorhome. Lippert has filed an equipment recall with NHTSA 23E-008.

What is the safety risk: There is the possibility the latch may malfunction and pose an issue with exit from the motorhome, increasing the risk of injury during an emergency.

Identify any warning which can precede or occur: Latch will not operate. Cannot open door from inside the coach.

What is the cause: Defective part.

What is the Remedy: At no cost to the customer, Inspect the involved component as outlined on the attached instructions. If an issue is found, you or your dealer must complete the outlined repair **at NO CHARGE to the CUSTOMER**. The remedy is expected to take 0.3 hr. to inspect, 0.7 hr. for the inspection and latch replacement. Lippert's Customer Service department may be reached via email at recall@lci1.com or via phone at 574-538-4514 if there are any questions.
