**WHAT IS THE PROBLEM?**

**Identify any warning which can precede or occur:** A defective entry door latch would not allow entry or exit via the door increasing the risk of injury.

**WHAT SHOULD YOU DO?**

Please make certain your motorhome is immediately inspected and if required repaired by contacting an **authorized REV Recreation Group servicing dealer**.

dealers have been supplied with all the information needed to enable them to inspect, test and if needed replace the inside latch assembly.

The repair should take approximately one (1) hour to complete; however, because of service scheduling times, your dealer may need the vehicle for a longer period of time. This service will be performed for you free of charge.

When you deliver your motorhome for repairs, your dealer will complete a **Repair Order**. Upon completion of the repair, please sign the **Repair Order** and fill out the enclosed self-addressed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group.

If you have changed your address or sold the motorhome, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group.
