This notice applies to your vehicle identified on the enclosed card.

Dear INTERNATIONAL® Customer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Navistar has decided that a defect which relates to motor vehicle safety exists in certain 2020 thru 2024 HX® series trucks built 03/13/2019 thru 02/28/2023.

### **REASON FOR THIS RECALL**

Over time, the grille surround may become loose from the eight (8) mounting brackets that secure the grille surround to the hood and could eventually cause the grille surround to separate from the truck.

### **RISK TO MOTOR VEHICLE SAFETY**

A grille surround that separates from the truck while in operation can increase the risk of a vehicle crash that may result in personal injury or property damage.

### **DEFECT REMEDY**

The repair will involve installing a new grille surround with an updated mounting bracket design. Parts are available to repair HX520® vehicles. Authorized repair locations have these parts and instructions to repair your vehicle. The repair will be performed free of charge and take approximately 1 hour to complete.
