- This repair will be provided **FREE** of charge.

Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz AG (“MBAG”), the manufacturer of Mercedes-Benz vehicles, has decided that a defect which relates to motor vehicle safety exists in certain model year (“MY”) 2021 Mercedes-Benz S580 and Maybach S580 vehicles. Our records indicate that your vehicle is included in the affected population.

What is the issue?

The primary bulkhead that separates the engine compartment from the passenger compartment may not have been properly sealed, which may allow water to enter into the front footwells. This may cause corrosion and/or short circuits to electrical components, and may disable certain safety features, including seat belt tightening and seat adjustments (PreSafe system). Disabled safety features can increase the risk of injury in the event of a crash. When the issue occurs, the customer might notice damp carpets in the front footwells or fogged windows. The driver might also be made aware through a warning message in the instrument cluster.

What will your Mercedes-Benz Dealership do?

An authorized Mercedes-Benz dealership will repair the primary bulkhead sealing on the affected vehicles. **This vehicle repair will be provided at no cost to you.** While the repair time can be less than **2 hours**, your dealership can provide you with a better estimate of the overall time for this visit. As a matter of normal service process, the authorized Mercedes-Benz dealership will also check for other repair measures that might be applicable to your vehicle, which may increase the required working time. You will not be charged for other services or repairs unless so requested.

Steps to take.

- Find your nearest authorized Mercedes-Benz dealership at mbusa.com/recall to schedule your recall repair.
- Please mention you are scheduling an appointment for Mercedes-Benz Recall Campaign **2023040009**.
- You may be asked for your VIN, which for your convenience is located at the top of this letter.

We apologize for any inconvenience this may have caused and look forward to taking care of this important safety recall immediately.

Sincerely,
Mercedes-Benz USA
