Dear Valued Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Reason for this recall

On your vehicle, the rear stabilizer bar attachment bracket(s) may break and separate from the vehicle during usage. Recall Remedy

Ford Motor Company has authorized your dealer to replace the rear stabilizer bar brackets free of charge (parts and labor). The time needed for this repair is less than half a day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.
