IMPORTANT SAFETY RECALL

(NHTSA Recall Number: 23V236)

This notice applies to your vehicle: **(Insert VIN)**

April 28, 2023

Dear Kia Carnival Vehicle Owner:

Kia has identified a defect in your vehicle which relates to motor vehicle safety.

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Kia America, Inc. has decided that a defect which relates to motor vehicle safety exists in certain 2022-2023 MY Carnival vehicles. The defect can result in a power sliding door closing on a vehicle occupant, thereby increasing the risk of injury. Our records indicate that you own or lease one of the potentially affected vehicles.

What Is The Problem?

The power sliding door (PSD) auto-reverse feature in your vehicle may not activate in all situations. A PSD that does not activate may close on a vehicle occupant, which can increase the risk of injury.

Kia Will Reprogram the Power Sliding Door Control Module Free of Charge At No Cost To You.

Kia dealers will reprogram the power sliding door control module with an updated software that results in two operational changes:

1. Adds two (2) warning chimes when the power sliding door begins to open or close; and
2. Changes the door speed to move more slowly as the door approaches its latching point.

This recall will be performed **free of charge at no cost to you**. The estimated time required to perform this recall will be approximately one (1) hour. We recommend scheduling a service appointment to minimize your inconvenience.

What Should You Do?

- In the interest of the safety of your passengers, as well as your own safety, contact your authorized Kia dealer to arrange for the recall to be performed on your vehicle.
- To prevent injury, make sure no body parts are in the way of the sliding door when closing. DO NOT leave children or animals unattended in the vehicle as they may operate the power sliding door in a manner that could result in injury to themselves or others.
- To find your nearest dealer, visit www.kia.com and click the "Find Dealer" button in the upper right corner ("Dealers" on a mobile device). You can also use the QR code below with your mobile device to access this information (*see the bottom of this letter for more information about QR code use*).

Have You Changed Your Address Or Sold Your Kia?

If you have changed your home address, sold your Kia vehicle, or no longer own your vehicle, please complete the attached prepaid "Change of Address/Ownership" card and mail it to us. You can also contact the Kia Customer Care Center phone number listed below.

What If You Are A Vehicle Lessor?

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

What If You Have Other Questions?

If your dealer does not respond to your service request in a timely manner, we suggest that you call Kia's Customer Care Center at 1-800-333-4542. This number has TTY capability. If you still are not satisfied that we have remedied this situation without charge and within a reasonable amount of time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590; or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

This action has been taken in the interest of your safety, and we regret any inconvenience this situation may cause you.

Sincerely,

Customer Care Department

QR Code Use:

- A QR Code is a square, 2-dimensional barcode that can be read by mobile devices loaded with an appropriate barcode or **QR Code Reader App**. The app reads the barcode image and then launches/uploads the specific information the code contains, such as URLs, text, photos, videos.
- With a mobile device, **download a QR Code Reader App**. With many devices, you can do this through an app store or marketplace.
- **Open the QR Code Reader App on your mobile device. The app will utilize your device's camera.** Center the code in the camera viewing area. With some apps, the URL or other information will automatically load when the code is recognized. For others, you may have to snap or take a picture of the QR code. Refer to the **QR Reader Code App instructions**.
