This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nikola Corporation has decided that a defect which relates to motor vehicle safety exists in all Model Year 2022-2024 Tre BEV trucks manufactured from 11/5/2021 to 4/5/2023.

This recall affects the Bendix Park Valve Module (PVM) in your truck which may intermittently become stuck in the un-parked position and may not transition from un-parked to parked when the park switch is pulled on the vehicle dashboard. In the interim, if abnormal Intellipark brake switch LED operation is observed, the vehicle must be parked by depleting air storage by fanning-down the air brake system with the service brake pedal. If a driver does detect the PVM malfunction indications and does not properly fan down the brakes, the vehicle may unintentionally move which increases the likelihood of a crash. Please refer to the enclosed Interim Corrective Action for more detailed instructions.

**Nikola dealers will replace the PVM in your truck at no cost to you.** You should contact your Nikola dealer as soon as possible to arrange for this free replacement. The process takes about 30 minutes. Any lessor who receives this notification must forward a copy of this notice to the lessee within ten days.

Please contact Nikola's Customer Service Department at (888) 429-9216 or [service@nikolamotor.com](mailto:service@nikolamotor.com) with any questions about this notice. You may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>, if you believe that Nikola has failed to or is unable to remedy the defect or noncompliance without charge and within a reasonable time. You may be eligible to receive a reimbursement for the cost of repairs made prior to receiving this notice.
