IMPORTANT SAFETY RECALL

THIS NOTICE APPLIES TO YOUR VEHICLE.

<Model Year> Winnebago <Model Description> <VIN>

June 2, 2023

Dear Winnebago Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Winnebago Towables has decided that a defect which relates to motor vehicle safety exists on certain 2021 through 2023 Winnebago Micro Minnie model series. These vehicles were manufactured August 20, 2020, through April 10, 2023.

REASON FOR THIS RECALL

When loaded with certain off-road style tires, the bumper mounted spare tire carrier has the potential to experience metal fatigue, which could cause welds to break loose and/or shear the metal. The spare tire carrier may fail over time and potentially become detached from the unit in transit, which could increase the risk of a crash.

WHAT WE WILL DO

On affected vehicles, Winnebago Towable dealers will replace the original spare tire carrier with a newly designed spare tire carrier. The time necessary to complete the repair will be approximately 20 minutes. Please allow additional time for the dealer to process your vehicle. This will be done at no charge to you.

WHAT YOU SHOULD DO

Please contact your selling or nearest Winnebago Towable dealer immediately to schedule an appointment. To locate the nearest Winnebago Towable dealer, you can visit our website at www.winnebago.com or call 574-825-5250. Winnebago Towable dealers are best equipped to obtain parts and provide service to ensure your vehicle is corrected as promptly as possible.

Presentation of this letter to the service center will assist in making the necessary correction to your vehicle more efficient.

MEMORANDUM
