### **Subject: TBB C2 Interior Side Sheet Joint**

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

Daimler Truck North America LLC (DTNA), on behalf of its wholly owned subsidiary, Thomas Built Buses, has decided that certain model years 2021-2024 Thomas Built Buses Saf-T-Liner C2 school buses manufactured January 24, 2020, through April 18, 2023, fail to conform to the Federal Motor Vehicle Safety Standard No. 221, "School bus body joint strength."

On the affected vehicles, the rear interior joint formed by the D-panel overlapping the side-sheet at the last rafter may have been manufactured incorrectly, resulting in insufficient joint strength, increasing the risk of injury in a crash.

A Daimler Truck North America authorized service facility will be adding additional mechanical fasteners to the joints on affected vehicles in order to bring the vehicles into compliance. The Recall will take approximately 30 minutes to 1 hour and will be **performed free of charge**.
