July 25, 2023

### SAFETY RECALL N784: Inoperative Rear Lights

Vehicles Affected: 2022- 2023MY Range Rover

National Highway Traffic Safety Administration (NHTSA) Recall Number: 23V-394

Dear Range Rover Owner:

This notice is sent to you in accordance with the *National Traffic and Motor Vehicle Safety Act*. Land Rover has decided that a defect which relates to motor vehicle safety exists in certain 2022-2023MY Range Rover vehicles.

Your vehicle is included in this Recall action.

#### What is the reason for this program?

On certain vehicles, a foam block mounted in the body shell could damage the tail light wiring, which can cause the body mounted exterior vehicle tail lights, brake lights, and turn signals to fail to illuminate. Exterior lights that fail to illuminate can decrease visibility and increase the risk of a crash.

#### What are the warning signs of this condition?

A rear tail light, turn signal or brake light may fail to illuminate. When using a turn signal, if the light fails to illuminate, you may notice the turn signal indicator on the instrument cluster flashing at a faster rate than normal.

#### Are there any precautions that may be taken to minimize the safety risk until the corrective measures are implemented?

If you have any questions or concerns, please contact the Service Manager at your authorized Land Rover retailer for assistance.

#### What will Land Rover and your authorized Land Rover Retailer do?

Vehicles will have the foam block mounted in the bodyshell removed. The rear light mounted in the body and rear tail light link lead wiring will also be inspected and replaced if necessary. All repairs will be performed free of charge.

#### What should you do?

Please contact your preferred authorized Land Rover retailer and provide them with your Vehicle Identification Number (VIN) and request a service date to complete the work required under Program Code 'N784'.

**Attention Leasing Agencies:** If you are a vehicle lessor, Federal Regulations require you to forward this notice to your lessee within TEN (10) days.

### **What if I have previously paid for this concern?**

If you have already paid for this concern before the date of this letter, Land Rover is offering a refund. To qualify for a refund, during the recall repair service appointment, please provide your authorized Land Rover retailer with the original paid receipt.

To avoid delays, please do not send the receipt to Land Rover NA LLC.

### **How long will it take?**

The work will be carried out as quickly and efficiently as possible in order to minimize inconvenience to customers and is expected to take approximately 30 minutes although your retailer may need your vehicle for a longer time. Your retailer can provide you with a better estimate of the overall time for the service visit.

### **Moved or no longer own this Land Rover vehicle?**

If you are no longer the owner of this vehicle, Land Rover would appreciate the name and address of the new owner (if known); please fill out and return the enclosed return postage-paid card.

### **What should you do if you have further questions?**

If you have any questions or concerns regarding this Recall, please contact the Service Manager at your authorized Land Rover retailer for assistance.
