NHTSA Recall 23V-421

Dear Nissan Sentra Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2022 Nissan Sentra vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

Reason for Recall
Motivo del Retiro

During periods of heavy rain, there is a possibility of water leaking through the front left cowl area onto the driver's side floor, which can potentially lead to an increased risk of corrosion specifically at the TH80 connector. If corrosion develops between the terminals within the TH80 connector, it can short circuit potentially resulting in the following conditions that could increase the risk of accident, injury and property damage:

- Inoperative washer motor, VDC, tail lamps, turn lamps, hazard lamps, reverse lamps or airbags
- Malfunction Indicator Lamp (MIL) illuminated
- No start
- Engine start or shift gear without application of brake pedal
- Stop lamps remain illuminated
- Limited acceleration
- Thermal Incident

What Nissan Will Do
Qué Hará Nissan

Your Nissan dealer will apply sealer to the driver's side cowl area and inspect the TH80 connector for signs of humidity or corrosion. If moisture or corrosion is detected, the dealer will replace the main harness and engine room harness. This service, which is conducted at no charge to you for parts and labor, could take up to one hour to complete. However, your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

What You Should Do

Qué Debes Hacer

If the customer detects any burning odor or smoke, Nissan recommends parking the vehicle outside and contacting your dealer for instructions on transport and immediate repair.

Otherwise, please contact your Nissan dealer at your earliest convenience in order to arrange an appointment to have your vehicle remedied.

Si el cliente detecta olor a quemado o humo, Nissan recomienda estacionar el vehículo en el exterior y ponerse en contacto con su distribuidor para recibir instrucciones sobre el transporte y la reparación inmediata. De lo contrario, comuníquese con su concesionario Nissan lo antes posible para programar una cita para reparar su vehículo.
