Subject: Safety Recall 40T3 - Suspension Strut Mountings

Dear Volkswagen Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Volkswagen has decided that a defect, which relates to motor vehicle safety, exists in certain 2023 model year Volkswagen vehicles. Our records show that you are the owner of a vehicle affected by this action.

You may have received a letter from Volkswagen recently about Service Action 40S9. Please note that Safety Recall 40T3 replaces Service Action 40S9.

What is the issue? During strut assembly, an issue may have caused a deformation of the strut mount. If the strut mount is deformed, it can lead to improper tightening on one of the bolted connections on the right or left suspension strut mounting. This may increase the risk of a crash without warning.

What will we do? To correct this defect, your authorized Volkswagen dealer will inspect and, if necessary, replace the right and/or left suspension strut mounting(s). This work may take about 4 hours to complete and will be performed for you free of charge. Please keep in mind that your dealer may need additional time for the preparation of the repair, as well as to accommodate their daily workshop schedule.

What should you do? Please contact your authorized Volkswagen dealer without delay to schedule this recall work. To set up an appointment online, please visit www.vw.com/find-a-dealer.

Lease vehicles and address changes If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

Can we assist you further? If your authorized Volkswagen dealer fails or is unable to complete this work free of charge within a reasonable time, or if you should have any questions about this communication, please reach out to us using your preferred method of communication at www.vw.com/contact or by calling us at 800-893-5298.

Checking your vehicle for open Recalls and Service Campaigns To check your vehicle's eligibility for repair under this or any other recall/service campaign, please visit www.vw.com/owners/recalls and enter your Vehicle Identification Number (VIN) into the Recall/Service Campaign Lookup tool.

IMPORTANT SAFETY RECALL
