

IMPORTANT SAFETY RECALL

NHTSA Recall No. 23V-484

[Salutation and Name]
[Address 1]
[City]
[State/Province]
[ZIP/Postal Code]
[Country of Residence]

[Date]

Dear [Salutation and Name]

This notice applies to your vehicle with the following Vehicle Identification Number (“VIN”):

[ENTER VIN]

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

McLaren Automotive Inc. (**McLaren**) has decided that a defect, which relates to motor vehicle safety, exists in certain 2019-2020 600LT Coupe and Spider vehicles.

WHAT IS THE ISSUE?

The joint between the coolant hose and the temperature sensor housing may not be sealed properly, which can result in coolant leaking into the engine compartment. A coolant leak in the presence of hot engine components can increase the risk of a fire.

WHAT MCLAREN WILL DO

Your McLaren retailer will replace the coolant hose, temperature sensor housing and clamp with a new hose, temperature sensor housing and new constant pressure clamp. This remedy will be carried out at no charge to you. We anticipate this remedial work taking two days to complete.

This remedy will be performed at no cost to you.

WHAT SHOULD I DO?

Please contact your preferred McLaren retailer as soon as possible to schedule an appointment to have the recall completed on your vehicle. Details of your nearest McLaren retailer can be found by visiting the McLaren Automotive website - <https://retailers.mclaren.com/en>.

Your retailer will be aware of the recall that is required for your McLaren 600LT, however, if possible, we recommend that you present this notification at the time of your scheduled appointment.

YOUR AFFECTED VEHICLE

This letter has been sent to you as the registered owner of McLaren vehicle [Model Name], [Model Year], [VIN Number].

If you are not the current registered owner or not in possession of this vehicle, please refer specifically to the **OTHER IMPORTANT INFORMATION** section of this letter.

DRIVING YOUR VEHICLE

We always recommend that any McLaren should have an inspection prior to being driven on track. If you have any concerns about your vehicle, please contact your preferred McLaren retailer who can provide specific advice or guidance on the use of your vehicle.

OTHER IMPORTANT INFORMATION

If you are not the owner of the vehicle affected by this recall because, for example, the vehicle:

1. has been sold or transferred;
2. is being leased and driven by another party; or
3. is primarily driven by a party not residing at the same address as you,

please contact our Client Services team via email at client.services@mclaren.com, as a matter of urgency.

If you have any questions or require further assistance, please contact McLaren's Client Services department at (855) 202-8815 or clientservicesna@mclaren.com.

If you believe that McLaren has failed or is unable to remedy the defect without charge within a reasonable time, please contact us at the number shown above. You may also contact the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE,

Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1 888 327 4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

If you have leased any of the above-referenced vehicles to another person, Federal regulations require you to send a copy of this notice to the lessee by first-class mail within ten days of your receipt of this notice.

We sincerely regret any inconvenience and concern this recall and remedial action may cause you. However, your safety is our highest priority, and we kindly ask for your cooperation to facilitate the work required on your vehicle.

Yours sincerely
