# IMPORTANT SAFETY RECALL

## Spare Tire Carrier Assembly

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2023 model year (JL) Jeep Wrangler] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 571.108 - Lamps, reflective devices, and associated equipment.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### WHY DOES MY VEHICLE NEED REPAIRS?

The spare tire carrier on your vehicle <sup>[1]</sup> may have been built with an incorrect Center High Mount Stop Lamp (CHMSL) bracket assembly. **A CHMSL that is partially obstructed may not have adequate conspicuity to other drivers to indicate the intention to slow or stop, which can cause a crash without prior warning.**

Federal Motor Vehicle Safety Standard (FMVSS) No. 571.108 S6.1.3.1 requires that "Each lamp...must be securely mounted...and in a location where it complies with all applicable photometric requirements in S7.9.13 Photometry. Each high-mounted stop lamp must be designed to conform to the photometry requirements of Table XV...". Subject vehicles do not meet these photometry requirements.

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will replace the spare tire carrier assembly. The estimated repair time is 30 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](http://www.fcarecallreimbursement.com) to submit your reimbursement request online. <sup>[3]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
