**NHTSA Recall 23V-581**  
**NHTSA Recall 21V-461**

This notice applies to your vehicle, [VIN].

Dear Nissan Sentra Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain 2020 Model Year Nissan Sentra vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN above and on the inside of this notice.

Our records indicate that your Sentra vehicle was recalled and inspected for this issue under NHTSA Recall 21V-461; and was determined to require a tie rod replacement at that time. However, Nissan has developed a more robust tie rod and your current one requires replacement.

**Reason for Recall**  
**Motivo del Retiro**

Certain MY2020-2022 Sentra vehicles may be equipped with a tie rod that may have insufficient strength in specific real-life situations, like hitting a pothole or a curb. If a tie rod bends, this condition may impair your ability to steer the vehicle. You may notice the steering wheel may be off-center and/or experience vibration. If the tie rod breaks, it can lead to a loss of steering control and increase the risk of a crash.

**What Nissan Will Do**  
**Qué Hará Nissan**

**Parts are now available to repair your vehicle.** Your Nissan dealer will replace both the left-hand and right-hand tie rods. This service, which is conducted at no charge to you for parts and labor, could take up to two and one half (2.5) hours to complete. However, your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

**What You Should Do**  
**Qué Debes Hacer**

**If you notice your steering wheel is off-center and/or you experience vibration, please contact your local Nissan dealer for instructions on how to transport your vehicle to the dealership.** Otherwise, please contact your local Nissan dealer to arrange an appointment to have your vehicle repaired as soon as possible. Please bring this notice with you when you keep your service appointment.

Si nota que su volante está descentrado y/o experimenta vibraciones, comuníquese con su concesionario Nissan local para obtener instrucciones sobre cómo transportar su vehículo al concesionario. Comuníquese con su concesionario Nissan local para concertar una cita para reparar su vehículo lo antes posible. Traiga este aviso con usted cuando asista a su cita de servicio.
