Subaru Safety Recall WRN-23

NHTSA ID 23V-647

November 2023

Dear Subaru Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

SUBARU OF AMERICA, INC. has decided that a defect, which relates to motor vehicle safety, exists in certain 2023 model year Outback, Legacy, Ascent and Impreza vehicles.

You received this notice because our records indicate that you currently own one of these vehicles.

DESCRIPTION OF THE DEFECT AND SAFETY RISK

The mounting surfaces for the propeller shaft center support brace bolts on your vehicle may have been painted during the supplier's manufacturing process. If these mounting surfaces are painted, the support brace bolts may not retain the specified tightness.

If the vehicle is driven with the bolt loosened, you may experience irregular sounds and/or vibrations from the propeller shaft area during vehicle operation. In the worst case, if both of the center support bolts completely come out due to continuous vibration, the front end of the propeller shaft could separate, increasing the risk of a crash.

WHAT SUBARU WILL DO

Subaru will clean the bolt seating surfaces of the center support brace in your vehicle, install new bolts, and tighten to the specified torque at no cost to you.

WHAT YOU SHOULD DO

Please contact your Subaru retailer (dealer) immediately for an appointment to have this repair performed, at no cost to you.

HOW LONG WILL THE REPAIR TAKE?

The time required to perform this repair is approximately 45 minutes. However, it may be necessary to leave your vehicle for a longer period of time on the day of your scheduled appointment to allow your Subaru retailer flexibility in scheduling.

OWNER INFORMATION

Government regulations require that recall notifications be sent to the last known owner of record. That information is based primarily on state registration and title data. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

If you have moved or sold your vehicle, please go to <https://www.subaru.com/support/customer-support.html> to send us your information.

IF YOU HAVE PREVIOUSLY PAID FOR A REPAIR

If you have already paid for repairs associated with this condition, you may be eligible for reimbursement. Reimbursement consideration will be based on the amount an authorized Subaru retailer in your area would charge for the same repair.

Please send the original service repair order, which has the name of the repair facility, date of repair, mileage at the time of repair, complete 17-digit vehicle identification number (VIN), and your name, with correct mailing address and telephone number to the address listed below.
