Dear <FirstName LastName,>

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Hyundai has decided that a defect, which relates to motor vehicle safety, exists in **certain 2012 – 2015 model year Veloster vehicles**. Hyundai is initiating Safety Recall 251 to repair a condition involving the **Anti-Lock Brake System (“ABS”)** on these vehicles in the U.S. Our records indicate that your vehicle is affected by this recall.

#### **What is the problem?**

The subject vehicles are equipped with Anti-Lock Brake System (“ABS”) modules that could leak brake fluid internally and cause an electrical short. An electrical short could result in significant overcurrent in the ABS module, increasing the risk of an engine compartment fire while parked or driving.

#### **What will Hyundai do?**

Your Hyundai dealer will replace the ABS fuse. This procedure will be performed at **NO CHARGE** to you.

#### **What should you do?**

**Owners are advised to park their vehicles outside and away from structures until the recall remedy is completed.**

**Please contact your nearest Hyundai dealer to schedule this procedure.**

The actual time required to perform this procedure on your vehicle will take less than one hour, however, your vehicle may be needed longer. To schedule an appointment with your preferred Hyundai dealer:

1. Visit [www.hyundaiusa.com/campaignhome](http://www.hyundaiusa.com/campaignhome)
2. Enter your 17-digit Vehicle Identification Number (“VIN”) from the top of this letter and click the “Search” button.
3. Click the “Schedule Appointment” button and follow the onscreen prompts.

#### **Additional information**

If you believe that the dealer or Hyundai has failed or is unable to remedy the defect without charge, or within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E., Washington, D.C. 20590, or call the toll-free Vehicle Safety Hot Line at 1-888-327-4236 (TTY: 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Thank you for your attention to this important safety matter. We apologize for any inconvenience this may have caused you.
