RE: BODY SERIAL «BODY_SERIAL»
CHASSIS SERIAL «CHASSIS_SERIAL»

Dear Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Reason For This Recall

Winnebago Motorhomes has decided that a defect related to motor vehicle safety exists on certain 2020-2024 Revel Motorhomes. Our records indicate that you have purchased a vehicle with the serial number which appears above. These motor homes were manufactured December 20, 2019 through September 25, 2023.

Cables in the area of lithium batteries may come into contact with hold down brackets, becoming damaged and resulting in a short circuit. A short circuit can result in a fire.

What We Will Do

Winnebago Motorhomes will coordinate the correct routing and securement of current carrying cables.

This will be at no charge to you.

What You Should Do

Please contact your Winnebago motorhome dealer or locate a Winnebago dealer at <https://www.winnebago.com/shopping-tools/locate-a-dealer>, at customercare@wgo.net, or by telephone at (641) 585-6939 or (800) 537-1885, immediately to arrange for an appointment. The labor time necessary to perform this correction will be approximately 1 hour. Please allow additional time for the dealer to process your vehicle.
