

Load Carrying Capacity Modification (Addendum) Label (SET23A)

NHTSA Recall No. 23V680

IMPORTANT SAFETY RECALL

This notice applies to your vehicle, VIN: JTERU5JR2P6 [REDACTED]

Winston Salem, NC 27127-8300

Dear Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Southeast Toyota Distributors, LLC has decided that certain 2023 Toyota 4Runner vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 110, "Tire selection and rims" as it relates to Load Carrying Capacity Modification (Addendum) Labels.

What is the condition?

The Addendum Label is a yellow label (see diagram below) located on the driver's side center pillar. The Addendum Label takes into account the net weight of accessories added to your vehicle by SET after it was manufactured and updates the occupant and cargo carrying capacity of your vehicle. The vehicle occupant and load carrying capacity is located on the Tire and Loading Information Label.

In the affected vehicles, the current Addendum Label is not correct. This could result in a driver overloading the vehicle, which may increase the risk of a crash.

What will Southeast Toyota Distributors, LLC do?

Enclosed, you will find a new Addendum Label for your specific vehicle (VIN listed above).

What should you do?

Please assist us by affixing the enclosed Addendum Label to your vehicle. Installation instructions are located on the following page. If you need assistance, your local dealer can affix the label, free of charge.

- If you no longer own the vehicle, please call Southeast Toyota Distributors, LLC at 1-800-301-6859.
- If you are a vehicle lessor, Federal law requires you to forward a copy of this notice to the lessee within ten days.

What should you do if you have further questions or any problems?

If you have any further questions, or if you have a problem updating your label, please contact either:

- Southeast Toyota Distributor's Customer Assistance Center at 1-800-301-6859; or
- Your local Toyota Dealer

If you believe that the dealer or Southeast Toyota Distributors, LLC has failed, or is unable to remedy the noncompliance within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E., Washington, DC 20590 or call the toll free Vehicle Safety Hot Line at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <http://www.safercar.gov>.

We have sent this notice in the interest of your continued satisfaction with our products, and we sincerely regret any inconvenience this condition may have caused you.

Thank you for driving a Toyota.

Sincerely,
Southeast Toyota Distributors, LLC.

Addendum Label Installation Instructions

1. **Affected Vehicles that currently have an Addendum Label**

- a. Locate the Addendum Label currently installed on your vehicle, see illustration below.

(Addendum Label size and location may vary by model)

- b. Clean the Addendum Label currently installed on your vehicle and the surrounding areas with a clean, dry cloth to remove any dust or dirt.
- c. Affix the new Addendum Label on top of the current label installed on your vehicle.

Note: If you have a larger Addendum Label and the new label provided is a smaller version, you may alternatively remove the original Addendum Label and apply the new one in its place.
