NHTSA RECALL 23V-827

January 22, 2024

IMPORTANT SAFETY RECALL

THIS NOTICE APPLIES TO YOUR VEHICLE, VIN: [REDACTED]

Dear Volvo Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Volvo Car USA LLC on behalf of Volvo Car Group, has decided that a defect, which relates to motor vehicle safety, exists in certain model year 2015-2024 XC90 vehicles.

The reason for Recall R10259:

Volvo Car Investigations has determined that the second-row seatbelt buckles, and lower anchor bolts may have not been tightened properly.

An improperly tightened seat belt buckle may not restrain an occupant as intended, increasing their risk of injury during a crash.

Recall action: R10259:

The corrective action is to inspect the bolt torque on the seat belt buckles and anchor bolts located on the second-row seats, ensuring that all bolts are tightened to specification, **free of charge**.

Please contact your authorized Volvo retailer to schedule an appointment for the repair to be completed. This procedure will be completed at **no cost** and can take up to one hour to complete, however due to service scheduling your Volvo retailer may require your vehicle for a longer period.

If you had previously paid for this repair to be performed, prior to receiving this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information, please refer to Volvo Customer Care Center contact information in this letter.

If you no longer own the vehicle described in this letter, please help us to update our records by sending us the updated owner information. Please refer to our contact information in this letter.

Please contact:

If you have any questions, please contact your Volvo retailer. If your retailer is unable to answer your questions, please contact Volvo Customer Care Center:
